

INVITATION

Enjoy Your Monday Morning Coffee With the North East LHIN

Virtual Coffee Break -- Chronic Disease Management and Prevention: Taking Care of Our Health

When: Monday, October 1, 2012

10:00am - 10:30 am

Invited Guest: Marian Walsh, Bridgepoint Health CEO and keynote speaker for the NE LHIN's Chronic Disease Management and Prevention Forum (October 12)

Virtual Coffee Break Call-in Number: 1-866-696-5894, passcode 4630157

Enjoy your Monday morning coffee break with North East LHIN CEO, Louise Paquette and Marian Walsh, Bridgepoint Health CEO, for our third Virtual Coffee Break of the year. Discussion will be centred on improving patient access to services for people suffering from Chronic Disease.

Chronic Disease is more prevalent in Northeastern Ontario than other parts of the province and the NE LHIN is proactively working to encourage collaboration among health care providers. Ideas on some of the best practices that could be applied in Northeastern Ontario will be shared among Louise Paquette and Marian Walsh during the Coffee Break session.

Anyone can listen in to the coffee break by teleconference. Questions can be submitted in advance to engagingwithyou@lhins.on.ca.

The session will be taped and available on our website (www.nelhin.on.ca) as a podcast within 24 hours.

Please note that a Francophone Virtual Coffee Break on Chronic Disease will be held later this month. More details to follow.
