## Quality Improvement Survey

What does quality improvement look like in your organization? Whether you are working on QI projects, planning to get one started or just interested in learning where to get started, we want to hear from you! Share your experience with us as we look to assess the current status of quality improvement (QI) capacity across the North East region.

Results will inform our ‘next steps’ to supporting stronger regional partnerships and improved quality of care for all Northerners.

## E-QIP Now Accepting Applications!

The Excellence through Quality Improvement Project’s (E-QIP) mission is to promote and support QI within the community health and addiction sector.

E-QIP is accepting project coaching applications to align quality work in this sector with provincial priorities. **Free QI and Data coaching** is being offered to community mental health and addiction organizations interested in improving quality and using data to guide decision making.

Please submit your expression of interest for QI coaching and support by **Jan. 19<sup>th</sup>, 2018**.

E-QIP’s application form can be accessed [here](#) and QI Readiness assessment of your organization can be found [here](#).
